At A 2nd Chance Bail Bonds, we believe everyone deserves a second chance.

That's the driving force behind every interaction we have with clients and their families as they prepare for criminal defense from home instead of jail.

A 2nd Chance Bail Bonds, one of the largest and fastest growing bonding agencies in Georgia, was founded in 2007 and provides services in metro Atlanta and throughout Georgia.

In 2021, we launched **A 2nd Chance Monitoring**, our electronic monitoring business that allows participants to be at home and continue to work while under court supervision or awaiting trial.

As part of our on-going commitment to community service, we give back to organizations like the **Wills Park Equestrian Foundation** in hopes of creating more positive outcomes for individuals throughout our areas of service.
