# Our Story

# THE Co.

Cheryl & Co. was founded in 2003 by Cheryl Sims. For the better part of two decades, Cheryl and her son Jay have worked to provide high quality horse shows throughout the southeast. Cheryl & Co, is based in Atlanta Georgia and has hosted shows in Alabama, Florida, Georgia, Louisiana, Mississippi, North Carolina, and Tennessee. We pride ourselves on knowing our customers and doing everything in our power to deliver to their expectations.

In 2021, we debuted our Cheryl & Co. South series at Poplar Place Farm. We also began towards the goal of hosting USEF competitions. It took some time but we were fortunate enough to be granted a mileage exemption in order to bring two weeks of rated competition to this wonderful facility in 2022. This will be the 3rd year of the Garden Getaway Series and we are so grateful to all of you for your support in making these shows a reality.

We would like to thank the USEF Competition Licensing committee, the USHJA, Poplar Place Farm, our incredible staff and all of our clients. We ask for your continued support as we continue on this journey together. Thank you again and we will see you at Poplar!

# PINE MOUNTAIN Georgia

## The Ideal Setting

Pine Mountain, a charming southern town located just an hour southwest of Atlanta, is known across the South as the “Gateway to Callaway Gardens.” The stunning 2,500-acre Callaway Gardens resort, complete with beautiful gardens, lakes, golf courses and lodging, adjoins the lively Pine Mountain, Georgia community just a few blocks from the center of town. Our town is the ideal setting for a Saturday excursion with the family, a weekend getaway with friends, or even a romantic backdrop for a wedding or honeymoon. No matter how you enjoy a break, this area has something to offer everyone. In every corner of the community you may come across a new treasure. The downtown is filled with locally-owned shops and boutiques offering a variety of goods. Whether you’re in search of the perfect antique armoire or a small trinket to bring home to the kids, you can find it all along the inviting streets. Pine Mountain also has an interesting collection of local artists and craftsmen who sell their work in various parts of the area.

## Southern Kindness

After a day of shopping, grab a bite to eat in one of the many restaurants in the area. If you’re looking for a quick snack, stop in one of our cafes for a sandwich, or a taste of local barbecue, or maybe, some hand-dipped ice cream. For a finer dining experience, we boast a broad selection of restaurants that appeal to any appetite and are all served with our local specialty — Southern kindness.

## The Great Outdoors

Only a few minutes from downtown, you will find an assortment of activities that appeal to every member of the family. If you love spending your afternoon swinging a golf club, [Callaway Gardens](#) is home to one of the finest golf courses in the state. Horseback riding, fishing or hiking the trails of [F. D. Roosevelt State Park](#) are other great ways to spend the day in our area, and our beautiful countryside has become a favorite for cyclists.

If you love the outdoors, the beauty of nature and the calmness of the countryside, then this is the town for you.

The Cheryl & Co Garden Getaway horse shows are dedicated to the health, welfare and safety of all exhibitors both equine and human. To protect our equine partners, we will be enforcing the following protocols at the Cheryl & Co shows this fall. It is advised that all horses stabling on the show grounds arrive between 7:00 a.m. and 6:00 p.m. If it is necessary to arrive at any other time you must check in with the night security officer. 1. A current (within 12 months) negative Coggins test is required. 2. A Health Certificate must be signed by a licensed veterinarian within 30 days of arrival at the Season Premiers. 3. Vaccination Requirements (per the USEF GR-845 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rule Changes Effective 12/1/15) At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee 4. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Cheryl & Co management and to the Show Veterinarian. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises. 5. Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine care-takers for their daily routines. Cheryl & Co strives to provide a safe and enjoyable show experience. An important part of that experience is maintaining healthy horses. Please continue to check our web site at [www.showwiththeco](http://www.showwiththeco) or on Facebook, Cheryl & Co, for any additional and possibly mandatory requirements.

All Hunter Classes are held in accordance with USEF rules and USHJA Zone 4 Specifications.

# 2024 BIOSECURITY PROTOCOL

Sims Equestrian Management, strives to provide the safest environment possible for all exhibitors, both equine and human, to enjoy their horse show experience. In order for Cheryl & Co to offer horse shows that protect the welfare and safety of everyone involved there are protocols that must be enforced at any equestrian event during 2024.

A current (within 12 months of arrival on show grounds) negative Coggins test is required for all animals entering the show grounds. The Coggins MUST be presented to the show secretary upon arrival and a copy must be kept at the barn with the animal.

A Health Certificate must be signed by a licensed veterinarian within 14 days prior to arriving on the show grounds.

Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended.

Any horse of the show grounds with a fever of unknown origin or of suspicious origin must be reported to Show Management Management and to the show veterinarian. Isolation stalls will be available at a local veterinary hospital if the need arises.

Per USEF GR-845 Equine Vaccination Rule: At Federaton Licensed Competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus \* Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months of entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by

Competition Management. Documentation should consist of at least one of the methods mentioned. The frequency of vaccine administration should be per the vaccine manufacturer's or veterinarian's recommendations. It is recommended that vaccines be administered by or under the direction of a veterinarian.

-In the case of vaccines being administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian documenting that the horse in question received the vaccinations; name of the vaccines and the date of the administration.

-In the case of vaccines being administered by someone other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine, and date of the vaccine administration.

-In case of a horse that is unable to receive either of the vaccinations because of a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letter head stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperatures taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, Steward or technical delegate when requested. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

Please take the time to review good equine husbandry and convey its importance to your equine caretakers.
